1 BE IT REMEMBERED that on Thursday, April  
2 12, 2012, at 15920 West Valley Highway, Seattle,  
3 Washington, at 8:20 a.m., before Scott Sinclair,  
4 CCR and Notary Public in and for the State of  
5 Washington, appeared CHRISTOPHER VITTOZ, the witness  
6 herein.

7 MR. MAURO: Okay. So this -- my name is Joseph  
8 Mauro, and this is the -- I am sitting in the  
9 Embassy Suites in Seattle, Washington, and today is  
10 April 12th, 2012. And this is the videotaped  
11 deposition of the 30(b)(6) representative, the Rule  
12 30(b)(6) representative of Rec- -- Defendant  
13 Receivab- -- Receivables Performance Management.  
14 The deponent is Christopher Vittoz. And this --  
15 this deposition is being videotaped at all times.

16 The matter is Omer Levy versus Receivables  
17 Performance Management in the -- pending in the  
18 Federal District Court for the Eastern District of  
19 New York under Docket No. CV11-3155. And I would  
20 ask that everybody at the table repre- -- state  
21 their name for the record, starting with the  
22 witness.

23 THE WITNESS: Christopher Vittoz.

24 MR. SHAFER: Andy Shafer, attorney for RPM.

25 MR. MAURO: I understand that Mr. --

1 Correct?

2 A. Yes.

3 Q. And did you have an opportunity to review the  
4 deposition notice that -- that I sent out to your  
5 defense counsel?

6 A. Yes.

7 Q. Okay. And do you understand the categories of  
8 information that I intend to ask you questions about  
9 today?

10 A. Yes.

11 Q. Okay. And are you -- are you prepared to answer  
12 questions on every one of those categories?

13 A. Yes.

14 Q. Are you -- are you aware of the lawsuit Omer Levy  
15 versus Receivables Performance Management?

16 A. Yes.

17 Q. When did you become aware of it?

18 A. Last year in the middle of the year. I think July  
19 probably, July or August.

20 Q. Okay. And did -- you obviously prepared for the --  
21 for the deposition here today. Correct?

22 A. Uh-huh.

23 Q. And you've read through what information RPM has  
24 regarding the case. Correct?

25 A. Yes.

1 the Telephone Consumer Protection Act?

2 A. Yes.

3 Q. Do you know how many times?

4 A. I don't. I don't know.

5 Q. Has -- after January of 2011, has RPM been sued for  
6 violating the -- the Telephone Consumer Protection  
7 Act?

8 A. I believe so, yes.

9 Q. And in -- in the calendar year 2012, has RPM been  
10 sued for violating the Telephone Consumer Protection  
11 Act?

12 A. I don't know.

13 Q. How did you create -- well, withdrawn.

14 The -- the Noble call list, what document is  
15 that?

16 A. This one?

17 Q. Yeah.

18 A. You're talking about this document?

19 Q. Yes. I'm referring to Plaintiff's Exhibit Number 4.  
20 Is it fair to say that that's a call history report  
21 created in the -- in the Noble dialer system?

22 A. Yes.

23 Q. Okay. And it was created by RPM?

24 A. Well, it's created by the Noble system, you know,  
25 based on activity that RPM did.

1 Q. Okay. So the Noble system is in a computer at RPM.

2 Correct?

3 A. Yes, yes.

4 Q. And some -- did -- is it fair to say that somebody  
5 at RPM created that call history report?

6 A. Yes.

7 Q. Do you know who?

8 A. No.

9 Q. Is there a legal compliance -- withdrawn.

10 Is -- is there a lawyer on staff at RPM?

11 A. No.

12 Q. Is there anybody who is in charge of interpreting  
13 the Telephone Consumer Protection Act?

14 A. I guess it would be, you know, compliance, our  
15 compliance department.

16 Q. RPM is a debt collector. Correct?

17 A. Correct.

18 Q. Do you have any -- any evidence to suggest that --  
19 that Omer Levy's account was something other than a  
20 consumer account?

21 A. No.

22 Q. Okay. And just so we're clear, I believe we covered  
23 this earlier, but this is important. The defendant  
24 RPM, is it fair to say that the defendant RPM does  
25 not have any definitive evidence that Omer Levy

1 consented to be called on his cellular phone?

2 A. Definitive, no. Just the note lines in the file.

3 Q. Okay. Those are the only -- that's the only pieces  
4 of evidence, and we've already spoken about those  
5 earlier. Right?

6 A. Yes.

7 Q. Okay. So look -- looking at the -- the Plaintiff --  
8 Plaintiff's Exhibit 1, the collection notes, every  
9 time that we see in the "who" column NOB, does that  
10 refer to the Noble dialer?

11 A. Yes.

12 Q. Okay. Now, every time that the -- withdrawn.

13 Okay. Every time that we see the initials or  
14 the letters RTP, does it stand for refuse to pay?

15 A. Yes.

16 Q. And does refuse to pay -- what does refuse to pay  
17 mean in -- in -- in the parlance of RPM?

18 MR. SHAFER: I'm going to object to form.

19 Q. Okay. What do you understand the RTP in these notes  
20 means?

21 MR. SHAFER: Object to form. There's been a  
22 change over time, Counsel.

23 MR. MAURO: Thank you.

24 BY MR. MAURO:

25 Q. The time of July 2010 through January of 2011, what

1 Q. Let -- let me just get the question out.

2 A. Sorry.

3 Q. No problem.

4 Has DNC always meant the same thing in the  
5 collection notes of RPM?

6 A. Yes.

7 Q. So whenever you see DNC in the collection notes of  
8 RPM, the system would have terminated all further  
9 calls to a consumer. Correct?

10 A. Correct.

11 Q. Okay. Now, at some point in these notes where we --  
12 where we see the abbreviation that says MRR in the  
13 action column. Do you see that?

14 A. Yes.

15 Q. Okay. What -- what does that stand for?

16 A. Mister at residence.

17 Q. All right. Now, I understand that that mean -- that  
18 that -- and please correct me if I'm wrong, but I  
19 understand that the action column -- withdrawn.

20 Is it true that a collector can manually enter  
21 MRR into the action column?

22 A. Yes.

23 Q. And is it also true that the dialer sometimes adds  
24 MRR into the action column?

25 A. No.

1 A. Correct.

2 Q. So it is only when a person enters the DNC that the  
3 calls are all shut down?

4 A. Correct.

5 Q. When a consumer informs RPM that the consumer is  
6 considering suing RPM, does RPM consider that as a  
7 request not to be called any longer?

8 A. That's how I would prefer that our reps handle that,  
9 yes.

10 Q. Uh-huh. Is it -- is that the policy --

11 A. Yes.

12 Q. -- of RPM?

13 A. Yes. They should actually put in a different code  
14 than DNC, but it has the same effect. COMP is the  
15 policy. That's what they should put in, complaint,  
16 if there's any sort of complaint of any nature.

17 Q. Okay. Was that the policy of RPM from July of 2010  
18 through January of 2011?

19 A. Yes.

20 Q. So if a -- if a consumer tell -- told a  
21 representative of RPM during that time period that  
22 the consumer was considering suing RPM, it was the  
23 policy of RPM to stop calling the consumer?

24 A. Yes.

25 Q. Did -- did Omer Levy do that?
